The sight threw the lady, who is in delicate health and very nervous, into consultate the sight three strengths. and very nervous, into convulsions, and she has since been violently insane. BY ELEVATING THE QUALITY BY ELEVATING THE QUALITY
of our coal we lower the price in economy of
consumption. Consumers will find that it is
cheaper to use our high grade Lee Coal, that
has been screened and freed from slate and
stone, than that of an inferior grade. It gives
more heat, less ashes and burns longer than
any other coal, and our prices are as low as
any. Coal and Wood under cover.
